Sub: Clarification in Standard Request for Proposal (RFP) document for development/Redevelopment of Railway Stations-reg.

In terms of Board's letter of even number dated 22.11.2021, the documents for Request for Proposal (RFP) and Standard Engineering, Procurement and Construction (EPC) Agreement for Development/Redevelopment of Railway Stations were issued.

2. One of the Zonal Railways has asked for a clarification in reference to Clause No. 2.2.2.1, Subclause 2) of Standard RFP for Development/Redevelopment of Railway Stations on EPC mode (Vol.-I – Instruction to Bidders) whether the **“Eligible Projects”** should satisfy any one or both of the sub criteria viz. It is apparent from the above document and clarified here also that any project meeting the requirement of Passenger terminals or Social and Commercial infrastructure as per the above referred RFP Document issued by Railway Board on 22.11.2021 will be considered as **“Eligible Project”** subject to other provisions of the RFP document.

3. This disposes of the ECoR's letter No. CE/C/II/BBS Stn.Dev/41 dated 17.06.2022.
